

San Gennaro Feast Spring Las Vegas Carnival Rides*

The VERTIGO

The brand new A.R.M Vertigo towers over the midway at 100 feet in height and seats twenty-four passengers. Each seat holds two riders who are secured by a lap restraint. Once the ride begins, the entire center twists in a circular motion. Riders enjoy a swinging sensation as the entire center track lifts up slowly until reaching the top of the ride. Once the swing ride reaches the top it begins to slowly swing in a descent.

Giant Wheel

A towering tradition of Butler Amusements, the majestic **Giant Wheel** dominates the Midway day and night, offering patrons a sweeping view from a height of nearly 100 feet! Passengers are seated in separate gondolas and then whisked smoothly up, around and down again, a motion reminiscent of the ferris wheel. The **Giant Wheel** is a pleasant ride for the entire family. Recently equipped with a brand new LED lighting package, the wheel uses less energy and produces a magnificent light show!

Fireball

Already a midway favorite, the Fireball, from Italy, lifts riders high into the air, 20 at a time. As the main boom swings back and forth, the base of five groups of seats begin to spin, giving the passengers a feeling of weightlessness while they soar through the air with their feet swinging free!

Giant Scooters

Riders, seated in their “cars” begin a trip over a rectangular floor, bumping and dodging other drivers in their way!

Flying Bobs

The Flying Bobs has 18 seats each capable of carrying 2 adults. A fun and exciting ride which revolves around in a 360 degree circle and goes up and down hills.

Zipper

The **Zipper** has been one of the Midway’s most recognizable attractions for years, providing thrills to riders from teens to adults. There’s more spinning going on with the Zipper than an out of control top. While the ‘cages’ holding two passengers each rise and descend on a tower boom, each spins independently and the entire boom turns, too. Three times the action, backed by spectacular lighting bringing them back for more.

The Crown Merry Go Round

For decades, audiences have been awed by the beautifully handcrafted majesty of the carousel. To witness **The Crown Merry Go Round** is to see this piece of Americana in all its glory. This 36 foot Americana Themed Carousel features 30 jumping horses, and 2 chariots. Parents and

children create memories while they enjoy the sights and sounds of this beautiful ride together!

Spin Out

The Spin Out is one of the most exciting rides on the midway. Made in England it stands 45 feet high and has 6 – 4 passenger seats. Passengers sit in one of four seats on the outside edge of the ride. As the Spin Out begins to rise six sets of seats begin to spin. Up, down and around passengers thrill to the sight and feel of Spin Out. There are only 8 Spinouts on traveling carnivals in the United States.

MAJOR RIDES

Starship 3000

The lights and excitement of the midway literally become a blur as **Starship 3000** sweeps you off of your feet. Spinning at 24 RPM, The Starship uses centrifugal force to float the passengers off the floor, giving them the feeling of weightlessness. All aboard this 45-person capacity Starship for one wild ride.

Eagle 16

A staple of the American Midway, this 16-seat ferris wheel has eight front facing cars holding two riders in each. It offers both a gentle ride around the 360-degree vertical circle and a thrilling view, as riders are lifted high above the ground and able to see for miles.

Kite Flyer

The **Kite Flyer** is an unusual amusement ride where, instead of sitting, passengers lie horizontally within the frame of colorful gliders. After riders are buckled in, the ride begins to turn and then rises in the air for a thrilling, soaring sensation before gently gliding back to “Earth”.

Slide

The slide is a ride for the whole family. It towers 35 feet high and has hills to slide down. Fairgoers of any age enjoy the thrill of our slide as they sail down the undulating path. Passengers climb a stairway, higher and higher to the top of the slide and then laugh and scream with delight as they sail to the bottom.

Scrambler

Zig and zag your way to an amazing time on the **Scrambler**. The Scrambler has 12 seats each seat capable of holding 3 people. The main frame spins as each arm of seats spins independently, creating a feeling of funky flight. The Scrambler also features Deluxe Lighting and programmed incandescent “Ultra Lights.”

Tilt-A-Whirl

An old favorite that has thrilled and excited patrons for generations, the **Tilt-A-Whirl** is a swirling experience for teens and adults. Separate cars rotate individually as the entire ride revolves up, down and around!

Zombie Carnival

Passengers are invited to climb aboard coffin like carriages which seat two passengers at a time. When the operator engages the ride, passengers creep along a winding track which takes them inside the Zombie Carnival. Complete darkness awaits riders as

their carriage navigates twists and turns. Only the bravest return from the Zombie Carnival!

Mardi-Gras

Celebrate one of America's brightest and boldest holidays without having to travel far.

The Mardi Gras is a self-contained celebration of the famed New Orleans Holiday. Two stories of exciting mirror mazes, moving escalators, music and lights combine for thrills, inside and out – day or night!

Windsurfer

This exciting ride, manufactured by Wisdom Industries, is the very first of its kind and Butler Amusements is the first to own it! The Winder Surfer has eight cars each with a sail and a two person capacity seat. Each wing is controlled by the riders so the seat flies up and down. The center of the Wind Surfer tips and lifts to simulate the swooping action of Wind Surfing on ocean waves.

KIDDIE & FAMILY RIDES

Dizzy Dragon

On the **Dizzy Dragon** four magical dragons welcome children and parents aboard for a smooth ride. Passengers can move the ride at their own pace by turning a giant steering wheel inside the dragon's belly spinning themselves round and round while the entire ride revolves as well. This ride is a great introduction for ride enthusiasts in training before stepping up to the Tilt A Whirl.

Dragon Wagon Coaster

This coaster is perfect for children. Each segment of the dragon holds two passengers and takes riders on a moderately thrilling coast around the undulating track. The Dragon Wagon is just right for beginning riders.

Jumping Jumbos

Adding yet another humorous touch to the Midway are our **Jumpin' Jumbos**. This cadre of eight comedic elephants rise into the air and then gently descends while rotating from a center tower.

Raiders

The Raiders is an all time favorite to the little ones. Fun for the whole family. Featuring walk through punching bags, a cargo net climb and many more features will keep the littlest of visitors wanting to come back for more

Toon Town

This is your chance to see what it's like to live in the wacky world of your favorite cartoons. **Toon Town** attracts kids and adults of all ages on a walk through a funhouse with many exciting obstacles. Toon Town also has a video camera set up on the inside that the kids can stand in front of and they will appear on the screen on the front of the ride for all to see.

Chopper Hopper

The **Chopper Hopper** is a family ride and boasts eight cartoon themed helicopters. Each helicopter holds four passengers and is large enough to accommodate children as well as adults. The helicopters move up and down the center pole and riders control the spinning action with a push of a button

Tom Kangaroo

Experience the graceful, gentle ride of a baby kangaroo carried in the safety of his mother's pouch. Four **Kangaroos** welcome children and parents aboard for a smooth ride. Passengers sit inside each kangaroo and as the ride turns, each kangaroo slowly revolves as well.

Wet Boats

This kid ride features individual mini boats that float in water along a circular path. A great carnival ride for first timers!
